4 AÑOS A – Semana cultural

The background is a solid blue color. It features several decorative elements: a yellow wavy line starting from the top left and curving across the top; a white wavy line starting from the top right and curving across the top; a yellow wavy line starting from the bottom right and curving across the bottom; and several yellow dots of varying sizes scattered across the page, including a cluster of seven dots in the top right and three dots in the bottom left.

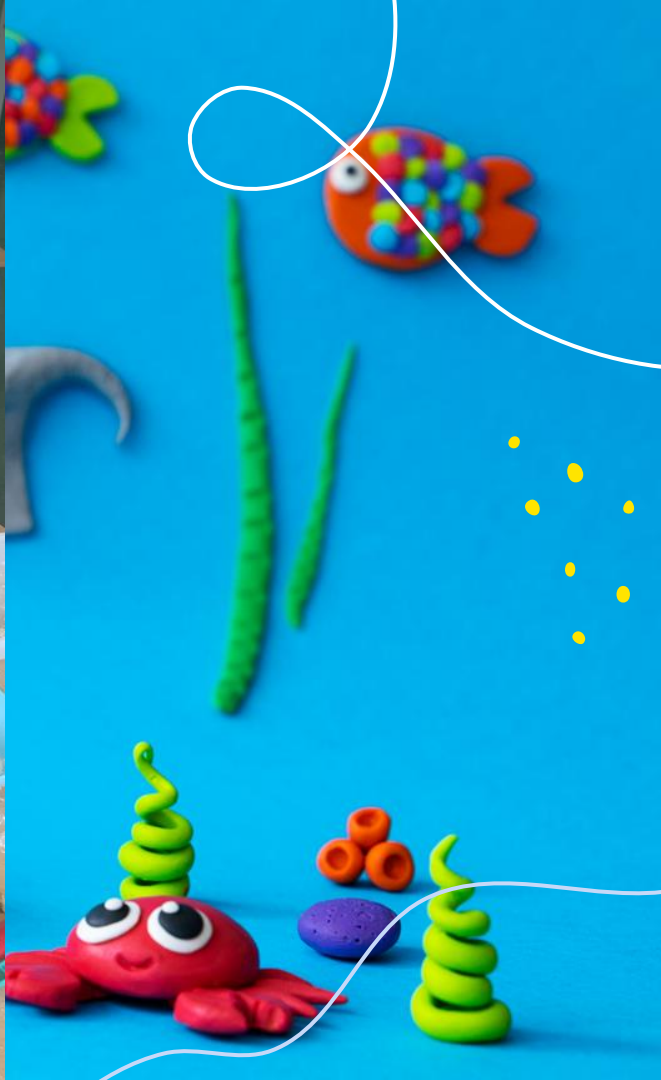

Con los papis aprendemos a hacer figuritas de
